Tavole di concordanza delle segnature dei codici di provenienza Gaddi trasferiti dalla Magliabechiana alla Laurenziana

Nel 1783 un consistente nucleo di manoscritti già collocati nella Magliabechiana (234) fu ceduto alla Biblioteca Laurenziana e andò a creare il fondo *Gaddiani reliqui*. La presente tavola riporta, per ciascun manoscritto, la segnatura gaddiana, seguita da quella già assegnata nella Magliabechiana e dall'attuale segnatura laurenziana.
