

Manoscritti Magliabechiani passati ad altri fondi Tavola di Concordanza

Nel corso dei secoli, vari manoscritti sono stati spostati dal fondo Magliabechiano ad altri fondi, principalmente al Fondo Nazionale e al Banco Rari. La presente tavola di concordanza consente di risalire dalle vecchie segnature magliabechiane, talvolta erroneamente ancora in uso in bibliografia, a quelle attuali. Si aggiunge, per comodità, l'indicazione della provenienza di ciascun codice, in forma sintetica. La ricerca potrà eventualmente essere integrata consultando la tavola di concordanza dei *Codici passati ad altri istituti*.
